

**NORTHWESTERN CONNECTICUT COMMUNITY COLLEGE**  
**COURSE SYLLABUS**

**Course Title:** General Physics II with Lab  
Calculus-Based Physics II with Lab

**Course #:** PHY 122  
PHY 222

**Course Description:** A college level physics course for the science/technology or engineering technology major or the engineering major that may lack sufficient conceptual understanding physics. Subject areas include principles and applied problems in electricity, magnetism, optics, waves and modern physics including relativity, nuclear and atomic physics. The use of computers, analysis software, computer interfaces and sensors will be an integral part of this course. (4 credit hours: 3 class hrs and 3 lab hrs.)

**Pre-requisite:** Physic 121/221 or equivalent

**Goals:** To develop an understanding of the physical laws of nature and provide a springboard for further study in the sciences through the development of analytical thinking and analysis of physical phenomenon.

**Outcomes:**

1. At the completion of the course, the student will demonstrate a firm understanding of the basic physical laws of nature.
2. The student will be able to solve simple analytical problems through the applications of mathematical principles.
3. The student will be able to model simple physical phenomenon using computer applications and modeling software in a laboratory setting.
4. The student will be able to link conceptual understanding with analytical reasoning and apply it to real-life applications.

**College Policies**

**Plagiarism:** Plagiarism and Academic Dishonesty are not tolerated at Northwestern Connecticut Community College. Violators of this policy will be subject to sanctions ranging from failure of the assignment (receiving a zero), failing the course, being removed/expelled from the program and/or the College. Please refer to your "Student Handbook" under "Policy on Student Rights," the Section entitled "Student Discipline," or the College catalog for additional information.

**Americans with Disabilities Act (ADA):** The College will make reasonable accommodations for persons with documented learning, physical, or psychiatric disabilities. Students should notify Dr. Christine Woodcock, the Counselor for Students with Disabilities. She is located at Green Woods Hall, in the Center for Student Development. Her phone number is 860-738-6318 and her email is [cwoodcock@nwcc.edu](mailto:cwoodcock@nwcc.edu).

**School Cancellations:** If snowy or icy driving conditions cause the postponement or cancellation of classes, announcements will be made on local radio and television stations and posted on the College's website at [www.nwcc.edu](http://www.nwcc.edu). Students may also call the College directly at **(860) 738-6464** to hear a recorded message concerning any inclement weather closings. Students are urged to exercise their own judgment if road conditions in their localities are hazardous.

**Use of Electronic Devices:** Some course content as presented in Blackboard Learn is not fully supported on mobile devices at this time. While mobile devices provide convenient access to check in and read information about your courses, they should not be used to perform work such as taking tests, quizzes, completing assignments, or submitting substantive discussion posts.

**Sexual Assault and Intimate Partner Violence Resource Team:** NCCC is committed to creating a community that is safe and supportive of people of all gender and sexual identities. This pertains to the entire campus community, whether on ground or virtual, students, faculty, or staff.

Sexual assault and intimate partner violence is an affront to our national conscience, and one we cannot ignore. It is our hope that no one within our campus community will become a victim of these crimes. However, if it occurs, NCCC has created the SART Team - Sexual Assault and Intimate Partner Violence Resource Team - to meet the victim's needs.

SART is a campus and community based team that is fully trained to provide trauma-informed compassionate service and referrals for comprehensive care. The team works in partnership with The Susan B. Anthony Project to extend services 24 hours a day, 7 days a week throughout the year.

The NCCC team members are:

Ruth Gonzalez, Ph.D.	860-738-6315	Green Woods Hall Room 207
Susan Berg	860-738-6342	Green Woods Hall Room 223
Kathleen Chapman	860-738-6344	Green Woods Hall Room 110
Michael Emanuel	860-738-6389	Founders Hall Annex Room 308
Seth Kershner	860-738-6481	Library
Jane O'Grady	860-738-6393	Founders Hall Annex Room 212
