Sexual Assault and Intimate Partner Violence Resource Team:

NCCC is committed to creating a community that is safe and supportive of people of all genders and sexual identities. This pertains to the entire campus community, whether on ground or virtual students or staff.

Sexual assault and intimate partner violence is an affront to our national conscience and one we cannot ignore. It is our hope that no one within our campus community will become a victim of these crimes. However, if it occurs, NWCC has created the SART Team, “Sexual Assault and Intimate Partner Violence Resource Team”. SART is a community based team that is fully trained to provide trauma-informed compassionate service and referrals for comprehensive care. The team works in partnership with the Susan B. Anthony Project to extend services 24 hours a day, 7 days a week, throughout the year.
