- Extend your balance due date 60 days beyond the tuition due date for the semester.
- Sign up to have your installments automatically charged to your debit or credit card account.

Installment Payment Plan Cost:

- \$25/semester. Due at the time of registration in the installment payment plan.
- Failure to make a payment on time will result in a \$15 late fee. Late fees will be applied to your account for EACH installment that is missed.

What will it cost:

- At the time of registration in your courses & installment payment plan, you must pay your registration fees, which include:

 - **Installment Payment Plan Fee - \$25/semester.**

- The chart below provides an estimate of what your installment payment agreement may look like if you are enrolling for the fall 2017 semester. (Assumes in-state tuition & no clinical, supplemental or materials fees.)
 - If your program requires a clinical program fee (nursing & veterinary technology) you will be required to pay that fee at the time of registration.
 - If your courses require supplemental or materials fees, you may add this cost to the tuition and spread it over the three installments.
