New Student Scholarship Descriptions

The following scholarships are awarded by Northwestern Connecticut Community College to new, incoming students:

Carl F. Norden Scholarships are awarded semi-annually for two years to two full-time students who are studying computer systems technology, engineering science or technology studies (Engineering Technology, Electric Power Technology, Industrial Technology) at NCCC. Selection criteria for this scholarship are based on scholastic achievement and participation in school activities. Students must maintain a 3.0 grade point average and be enrolled full-time each semester to continue his/her eligibility for this scholarship.

The following scholarships are awarded by Northwestern Connecticut Community College to new, incoming students and are funded by THE NORTHWESTERN COMMUNITY COLLEGE FOUNDATION (NCCF):

Draper Scholars Scholarships are awarded annually to new incoming students with demonstrated high academic standing and financial need. These scholarships fund full-time tuition and fees (excluding lab, studio, and/or clinical fees) for a period of two years (four semesters). Students must be enrolled full time each semester and maintain good academic and general standing at NCCC and good citizenship in the community to continue his/her eligibility for this scholarship. Applicants must be graduates of The Gilbert School, Housatonic Valley Regional High School, Lewis S. Mills High School, Litchfield High School, Northwestern Regional High School District #7, Oliver Wolcott Technical School, Torrington High School, or Wamogo Regional High School.

The following scholarships are awarded by area high schools to students who will be attending NCCC. Applications for these scholarships may be obtained by contacting your high school guidance counselor.

Barkhamsted Lions Club – Lattizori Family Scholarship is awarded annually to a full or part-time student and is based on financial need and high academic achievement. This scholarship is awarded to a graduating senior of Northwestern Regional #7 High School who plans to attend NCCC.

Catherine Ann Jespersen Scholarship is awarded to a graduating senior of Northwestern Regional High School District #7 who enrolls at NCCC. The recipient is selected by the high school principal on the basis of high academic achievement and must have a cumulative “B” average.

Walter M. Jespersen III Scholarship is awarded to a graduating senior of Oliver Wolcott Technical School who enrolls at NCCC. The recipient is selected by the high school principal on the basis of good moral character, exemplary citizenship and demonstrated scholastic ability. Preference will be given to a candidate with education and interest in an electrical discipline and has an interest in pursuing higher education.

Pythian Scholarship is awarded to a graduating senior of The Gilbert School who is accepted as a matriculated student for admission to NCCC and is based on academic achievement and a minimum cumulative grade point average of 2.50.
