

NCCC Veterinary Technology

FALL 2017 Application Checklist

College Application

If you are not a current NCCC student, submit an application for admission as a Pre-Vet Tech student. You can complete this application online at:

<http://www.nwcc.edu/future-students/degree-seeking-students>

Official College Transcripts

Submit official transcripts for all previous college-level course work at institutions other than NCCC to the NCCC Admissions Office.

Transcript Review

Request evaluation and entry of any transfer credits by the NCCC Admissions Office

Prerequisite Completion—provide copies of unofficial transcripts with your Vet Tech Application

Veterinary Technology Program Application

For a copy, visit: <http://www.nwcc.edu/academics/programs/degree-programs/vt>

Personal Essay

A typed, 1-2 page, double-spaced essay is required as part of your application. This personal essay should state the applicant's goals and reasons for entering the Veterinary Technology program as well as documenting past experience with animal care and/or veterinary medicine and completion of the recommended job shadowing.

Application deadline is May 31, 2017

Submit all materials to **Ama Matthews**.
No late submissions will be accepted.
