

Did you know you can run a *degree evaluation* online?

This report can tell you which graduation requirements have been met and which have not.

1. **Go to:** <http://www.my.comnet.edu>
Click- Login
Enter NetID and Password
2. Click on **Student Tab**
3. In Student self-service channel (box) click on "**Click here to access your student/academic records**"

To complete a Degree Evaluation for your current major, do the following:

- [Select - Northwestern CT Community College](#)
- [Select - Student Records](#)
- [Select - Student Degree Evaluations](#)
- [Select - Term \(leave as default\)](#)
- [Curriculum Information will appear](#)
 - [If your program is highlighted, click on it. If not, follow the instructions below.](#)
 - [Select Detail Requirements – click submit](#)
 - [Your Degree Evaluation will show](#)

If you want to see if you have met the requirements for a major other than your current major:

- [Select - Northwestern CT Community College](#)
- [Select - Student Records](#)
- [Select - Student Degree Evaluations](#)
- [Select - Term \(leave as default\)](#)
- [Curriculum Information will appear](#)
 - [\("Click" here to continue\) what-if analysis](#)
- [Step 1: Select a term](#)
 - [Select the current term - Submit](#)
- [Step 2: Select a Program](#)
 - [Choose a program from the list - Submit](#)
- [Step 3: Select a Major](#)
 - [Select the First Major - Submit](#)
- [Step 4: Select an Evaluation Term](#)
 - [Select Current Term – Click Generate Request](#)
- [Select "Detail Requirements"](#)

Your "What-If Analysis" will show
