

NORTHWESTERN CONNECTICUT COMMUNITY COLLEGE

COURSE SYLLABUS

Course Title: U.S. History II

Course #: HIS 202

Course Description: 3 Credits

The class will be divided into two sections. The first section will encompass the Civil War/Reconstruction Era, the American West, and the industrial revolution. Topics for discussion will include race relations and class conflict. The second section will focus on imperialism, the First World War, the Depression, the Second World War, and the early Cold War Era. Topics for discussion will include U.S. foreign policy and the cultural mythology of the Second World War.

Pre-requisite: ENG* 101 or ENG* 101W, with a "C" or better, OR ENG* 101 with concurrency or consent of the instructor.

- Goals:**
- To acquaint students with the social, economic, and political movements in the United States from the Antebellum through the 1940's.
 - To develop an appreciation for history and historiography from the perspective of different cultural groups with attention to race, gender, ethnic, and class issues.
 - To recognize the complexity of American history and its relevance to life today.
 - To appreciate the importance of both war and politics in American history
