Fresh Check Day

Fresh Check Day aims to create an approachable atmosphere where students are encouraged to engage in dialogue about mental health. It helps to build a bridge between students and the mental health resources and programs that exist on campus, in the community, and on a national level. Using a peer-to-peer messaging model, Fresh Check Day utilize student groups in addition to college staff to develop and execute interactive booths that deliver mental health and resource information in a fun and engaging way. By engaging the entire college community in this campus-wide movement, students are reminded that they are not alone and that their mental health is valued just as much as their physical health or their academic standing.

"There is pleasure in the pathless
woods, there is rapture in the
lonely shore, there is society where
none intrudes, by the deep sea,
and music in its roar; I love not
Man the less, but Nature more."
~Lord Byron
