Northwestern CARE Team
Mission Statement:
The CARE team is a campus-wide team of appointed staff and faculty responsible for identifying, assessing, and responding to concerns and/or disruptive behaviors by students, faculty/staff, and community members who struggle academically, emotionally, or psychologically, or who present a risk to the health or safety of the college or its members.

Team Goals:
- Provide a safe and supportive physical and emotional environment for members of the college community.
- Identify, assess, and intervene with individuals who are struggling or who demonstrate concerning or threatening behavior.
- Provide support and resources to community members who are concerned for another individual.

CARE Referral:
Completing a CARE referral is an essential first step in supporting students in distress on your campus. Complete a referral when you have any concerning observations or interactions with a student or think they need more coordinated support. CARE referrals help connect students with support services including basic needs on and off-campus. Basic Needs can include those with housing and food insecurity, transportation, childcare, mental health and disability services. Completing a CARE referral will inform the CARE Team to reach out and offer further assistance in the areas needed.

Please schedule your blood donation appointment today

CT State Community College - Northwestern is proud to sponsor a blood drive with the American Red Cross on October 3, 2023. For most of us we have someone in our lives who has required blood at some point. We have employees who have recently required blood transfusions and without donations ..... 

An estimated 38 percent of Americans are eligible to give blood or platelets, but of those, less than 10 percent actually donate each year.

If you are healthy and eligible, please come out to donate. Most donations take about an hour, so book your appointment, roll up your sleeve and become a part of the lifesaving mission of the Red Cross and give the gift of life to those in need.

Drive Details:
Drive Date: October 3, 2023
Primary contact: Gail Kulas
Number: 860-738-6304

Email: GKulas@nwcc.commnet.edu

You can book your appointment using the link or QR Code below. They will take you directly to the appointment website. https://www.redcrossblood.org/give.html/drive-results?zipSponsor=NWCCCT

There are many ways you can help, so if you are unable to donate, please volunteer on one of our committees before, during or after the event. Most importantly we hope you participate and help us recruit donors from our campus and our communities.

You will hear more in the coming weeks. Book your appointment today!

Thank you,
Gail Kulas & the Volunteer Committee
Timely Care
FREE MENTAL HEALTH SERVICES

Emotional Support When Students Need It

- Unlimited 24/7, on-demand triage mental health support, coaching services, and crisis management by behavioral and health professionals.
- Provides support for a variety of issues, including critical situations.
- Eliminates the possible days or weeks of wait time for a student to get emotional support.
- Removes possible stigma of a student walking into clinic seeking mental health resources.
- Helps manage demand for counseling center services with virtual visits.
- Patient records can be shared back to counseling center.

Contact Dr. Ruth Gonzalez regarding how to access these services- rgonzalez@nwcc.edu 860-738-6315
The Northwestern Student Emergency Fund (NSEF) was established to provide a source of funds for current and enrolled CT State Northwestern students who encounter unexpected emergency expenses, which fall within the parameters of eligibility. Students should contact Dr. Ruth Gonzalez, Director of the Office of Student and Community Life prior to applying for funds.

The Office for Disability and Accessibility Services

The Office for Disability and Accessibility Services (ODAS) provides reasonable accommodations to help students with documented disabilities thrive by enhancing self-advocacy and self-awareness in a comprehensively accessible environment.

Start the Review Process

Don’t wait until you have a problem to begin setting up disability supports for your classes. Accommodations are NOT retroactive. If there is a barrier to your education, begin the process and schedule an intake. Even if you aren’t sure you need accommodations for the classes you’re taking, it’s better to have your Accommodation Letter ready in case anything changes.

What do I need TO DO?

FIRST-TIME Students Requesting Accommodations:
- Begin a CT State confidential file with ODAS to explore and request accommodations. Access the link below or listed QR code to complete the ODAS Self-Disclosure Form and follow the steps to register and schedule an intake appointment with your home campus ODAS.
  
  https://ctstate-accommodate.symplicity.com/public_accommodation/

RETURNING Students with Approved Accommodations:
- Begin a CT State confidential file with ODAS to renew your accommodations. Access the link below or listed QR code to complete the ODAS Self-Disclosure Form and indicate you are a returning ODAS student.
- Once completed, ODAS will process your file and you will receive an email with instructions to submit your semester request.
- Accommodations are never retroactive and not in effect until your semester request is processed and accommodation letters have been sent to you and your instructors.

U-Pass Fall 2023

All you need is a U-Pass CT and your student ID to ride buses and trains in Connecticut.
Get where you need to go without having to pay a fare!

Who is eligible?
The U-Pass is available to both full- and part-time credit undergraduate students taking at least one class per semester on campus at the participating colleges and universities. At this time, graduate students as well as exclusively online, non-credit, and early college/high school students are not eligible for the program.

Where can I obtain my UPass?
Students will be able to obtain a UPass when/where they obtain their student ID’s after the start of the Fall Semester. You can obtain both at either the Office of Student Activities (GW110), The Cashiers Office or at the Library.

For how long is the pass effective?
The Fall semester U-Pass covers August 1-December 31.

What is the cost?
Each student is charged $40 per semester for the pass. The DOT has set this special rate for our students only; normal cost to the public is $63 per month. The transportation fee is considered an institutional charge, so financial aid may be applied.

What is required for students to use the pass and on what types of transportation can it be used?
Students must have a valid student ID to show along with their pass when using the transportation systems. Students can use the unlimited semester pass to travel within the state on rail or bus, including CTtransit and CTfastrak, but excluding Amtrak. Have your U-Pass and valid student ID ready when you board any of these services:

- CANDYSTRIPER Northwestern CT Transit District (NWCTD)
- Greater Bridgeport Transit (gbt)
- Norwalk Transit Housatonic Area Regional Transit (HARTtransit)
- Milford Transit South East Area Transit (SEAT)
- Windham Region Transit District (WRTD)
- 9 TownTransit/Estuary Transit District Middletown Area Transit (MAT)
- CTtransit & CTtransit Express
- CTfastrak New Haven Line (intrastate travel only. Not valid for travel to NYC)

What happens if a student loses the pass?
A student may only be given one replacement pass per semester. After that, they must wait for the next semester to get a new pass.

What happens if a student attends multiple CSCU schools?
Students should only be charged once for the pass. Students will have to request a waiver after the payment of the first fee.
